

Tariff Schedule

Tariff Schedule

All tariffs in this schedule are presented excluding applicable taxes but are subject to those taxes at the prevailing rate.

Call Durations are specified in this document as a charge of JA\$ per 60 seconds. Local Tariff rates are reflected in JA\$ and US\$ for international services. Calls will be measured to an accuracy of 1/10th of a second. Minimum and incremental measurements are listed below. Charges will be the sum of the month's measurements rounded to the nearest minute. Further detail of the billing process and procedures can be found in the Joint Working Manual.

Calls will be charged at a one (1) second minimum and in one (1) second increments.

For all tariffs the definition of Peak, Off-Peak and Weekend are as follows:

<i>Peak:</i>	<i>6:00 am to 8:00 pm on weekdays</i>
<i>Off-Peak:</i>	<i>8:00 pm to 6:00 am on weekdays</i>
<i>Weekend:</i>	<i>Saturday 12:00 am to Monday 6:00 am</i>
