

OFFICE OF UTILITIES REGULATION

Regulating Utilities for the Benefit of All

MEDIA ADVISORY

April 17, 2009

"OUR heads to Montego Bay for consultations on Electricity Rates"

The Office of Utilities Regulation (OUR) will hold a public consultation on Tuesday, April 21, 2009 on the application from the Jamaica Public Service Company (JPS) for a tariff review. The meeting will be held at the Civic Centre at Sam Sharpe Square in Montego Bay, St. James and begins at 5:15 in the afternoon.

This will be the second in a series of such meetings which provide consumers with a chance to respond to the utility company's request for a hike in electricity rates.

Members of the media are invited to provide coverage.

Consumers in Montego Bay are encouraged to come out and participate in the meeting.
