

OFFICE OF UTILITIES REGULATION

Regulating Utilities for the Benefit of All

Public Notice

The Office of Utilities Regulation (OUR) advise the public that it has issued a consultation document:

“Quality of Service Standards and Guidelines for the Telecommunications Sector”

The document is available on the OUR’s www.our.org.jm or may be viewed at the Information Centre (OURIC).

Persons who wish to express opinions on the consultation document are invited to respond in writing to the OUR.

Responses should be sent by post, fax or email no later than November 12, 2010 to:

Marsha Minott
Utility Analyst
