# FACTS ABOUT THE OUR INFORMATION CENTRE- OURIC

## WHO WE ARE

The Office of Utilities Regulation Information Centre (OURIC) is the pride of the region, being the resource centre of choice in Jamaica for information on utilities regulation. OURIC houses a collection that is unmatched, with an extensive legal collection and hundreds of other material that are relevant to anyone with interest in the utilities regulatory sector.

*OURIC is unique. Not only do we serve the internal customer but our doors are also open to You.*
