

The Executive Director of the Organization Of Caribbean Utilities Regulator (OOCUR), David Geddes, invites academia, regulators, other stakeholders and participants in the utilities sector to submit proposals or abstracts for presentation papers for the 2016 Annual Conference of OOCUR to be held in Montego Bay Jamaica.

The theme of this premier conference for utility regulators is: “Regulation: Creating a Spectrum of Opportunities in the Caribbean” and submissions should, as far as possible, reflect the sectoral (water, sewerage, electricity and telecommunications) focus of the theme.

All pre-conference abstracts or proposals must be at least 250 words. They must be submitted via e-mail to Oocur2016@gmail.com by mid-night of August 21, 2016. Selected speakers will be notified of their acceptance by August 31, 2016.

Deadline: To avoid technical problems, early submission is strongly encouraged. Visit OOCUR’s website (www.oocur.org) for any additional information.

Please also e-mail or call David Geddes for further assistance. Contact details: 876 361-0957 and david.geddesjm@gmail.com

About the conference:

The conference will be held from October 26-28, 2016 at the Secrets Resorts and Spa, Montego Bay, Jamaica.
