

St. James

YOUR VOICE MATTERS!

OFFICE OF UTILITIES REGULATION

Join us at the Wexford Court Hotel

The OUR will be holding a series of consultations on the application from the National Water Commission (NWC) for a tariff review. The tariff application is available on the OUR's web site at www.our.org.jm and from our Information Centre.

This is your chance to examine the NWC's proposals and make suggestions about the Guaranteed Standards.

For instance, should the payment for breaches of the Guaranteed Standards be automatic, should there be compensation for wrongful disconnection and are the standards still relevant? Copies of the Guaranteed Standards are available from NWC Customer Service offices as well as the OUR.

CONSULTATION

Venue: Wexford Court Hotel
Date: Tuesday January 29, 2008
Time: 6:00 p.m.

For further information contact the Consumer and Public Affairs Division
