Public Notice

Request for Comments

on documents related to a future Request for Proposals (RFP) regarding Supply of up to Net 37 MW of Electricity Generation from Renewable Energy Based Power Generation Facilities on a Build, Own and Operate (BOO) Basis

The Office of Utilities Regulation (OUR) wishes to obtain comments from stakeholders in the power sector industry and other interested parties on the areas indicated in this Request for Comments ("RFC"). These areas include parameters for response to a future Request For Proposals (RFP), evaluation criteria for proposals and draft provisions of a power purchase agreement and electricity supply licence.

The set of four (4) documents for which comments are invited can be viewed on the OUR's website: www.our.org.jm.

Responses may be sent to the OUR via personal delivery, post, facsimile transmission or email no later than 3:00 p.m. Eastern Standard Time (EST) on Wednesday, JUNE 24, 2015, at the address indicated below:
