JPS 2019 - 24 TARIFF APPLICATION

PUBLIC CONSULTATION/INVITATION TO RESPOND

The Office of Utilities Regulation's (OUR) analysis of the Jamaica Public Service Company Limited's (JPS) 2019-2024 Tariff Application is underway.

The regulator's review is permitted under Schedule 3 of the JPS's Electricity Licence, 2016.

Public consultation is part of the OUR's review of the application, and this normally includes public meetings (town hall-type engagements) which have been significantly constrained at this time by the COVID-19 Pandemic. Notwithstanding, we still want to hear from you.

The OUR invites you to review the JPS application and submit your comments by Friday, 2020 May 29 via email to: jpstariff2019@our.org.jm.

The 2019-24 JPS Tariff Application and supporting documents can be found on the OUR's website: www.our.org.jm.
