

OFFICE OF UTILITIES REGULATION

Regulating Utilities for the Benefit of All

Public Notice

The Office of Utilities Regulation advises that it has developed a **Standard Offer Contract (SOC)** in consultation with the Jamaica Public Service Company Ltd. (JPS) which outlines the terms, conditions and pricing regime for small power providers, such as those with solar PV systems and wind turbines, to gain access to the JPS grid.

The document is available on our website at www.our.org.jm and a copy of the document will be delivered to you when an e-mail is sent to: soc@our.org.jm.

WE NEED YOUR INPUT!

Interested parties are being invited to comment on the proposals outlined in the SOC by sending an e-mail to rbrown@our.org.jm.

The OUR will also be holding public meetings to have discussions with all stakeholders. The details of the consultations will be published at a later date.
