

Consultancy Services for a Management and Operational Audit of the K-Factor Programme

Clarification #1

DATE: 2016 March 09

Question/Comment 01

In Data Sheet, under item 1.9 the RFP states: “The procurement is limited to local consultants”

We understand that now the OUR will not accept nor rely on services from international consultants.

Answer 01

The consultancy is not limited to local consultants. The consultancy is open to both international and local consultants. Please see Addendum No. 1 to the RFP.
