

OUR & PCJ sign MOU for joint hosting of Jamaica's first Natural Gas Conference

(Seated L-R) Group General Manager, Petroleum Corporation of Jamaica (PCJ) Winston Watson, Director General, Office of Utilities Regulation (OUR), Ansord Hewitt and Minister of Science, Energy and Technology, Dr. Andrew Wheatley, signing a Memorandum of Understanding (MOU) to cement the partnership between the OUR and the PCJ for the first staging of the Jamaica Natural Gas Conference scheduled for October 4-6, 2017 at the Jamaica Pegasus Hotel in Kingston.

The MOU was signed during a brief ceremony which was held at the PCJ Auditorium in New Kingston on Tuesday August 22, 2017.

Also on hand for the event were the PCJ's Chairman, Russell Hadeed (standing - left) and the OUR's Deputy Director General, Hopeton Heron. The goal of the conference is to explore the economic, commercial, legal and regulatory implications of the introduction of natural gas to the Jamaican market.
