"JPS submits Tariff Review Application"

The Jamaica Public Service Company Limited (JPS), under confidential cover, last evening submitted its application to the Office of Utilities Regulation (OUR) for adjustments to its existing tariff structure.

The OUR will provide the public with additional information on the application as soon as JPS waives the confidentiality clause. At that time, a copy of the document will also be made available on the OUR's website at www.our.org.jm.

In the interim, the OUR is preparing to host four public consultations in April to give consumers an opportunity to comment on JPS' application. The meetings will be held at:

1. The Old Marina in Port Antonio, Portland on the 15th
2. The Civic Centre at Sam Sharpe Square in Montego Bay, St. James on the 21st
3. The Ridgemount United Church Hall, on Main Street in Mandeville, Manchester on the 22nd, and
4. The PCJ Auditorium, 36 Trafalgar Road, in Kingston on the 28th.

All meetings begin at 5:15 in the evening.
