Regulating Utilities for the Benefit of All

PUBLIC NOTICE
DAIRY SPRING LIMITED
APPLICATION TO MODIFY SERVICE AREA

The Office of Utilities Regulation (OUR) advises that Dairy Spring Limited with registered office at 1B Easton Avenue, Cottage #1, Kingston 5, and the holder of a Water Supply Licence, has applied for renewal of the licence and modification to its service area in the parish of St. Ann.

The previous description of the Location of Service is as follows:

East Boundary: Milford River gully south from the coastline to Main Street Bridge; Southwest along Main Street to the intersection with Milford Road; Southeast along Milford Road and Ocho Rios Junior Secondary School.

Southern Boundary: West along southern property boundary of Ocho Rios Junior Secondary High School to Shaw Park River; Northwest along the Shaw Park River to DaCosta Drive; West along DaCosta Drive into Ocho Rios/St Ann's Bay Main Road, continuing west to where the road nears the coastline.

Western Boundary: East and then north along the coastline to the Point.

Northern Boundary: East from the Point to the northern end of the Milford Gully.

The application regarding the modification of the service area is for the amendment of the Location of Service to read as follows:

Beginning at the Reynolds Pier, eastward along the Ocho Rios shoreline to Hog Hole in the east; south along Hermosa Cove Road to the 125 ft ground surface contour south of Main Street; west and then south along the 125 ft contour, then further south and up the cliff face at the Ocho Rios Quarry to the 200 ft contour, which continues south to the Milford Road; northwest from Milford Road along the 200 ft contour to the bauxite haulage road and then north along the road to the Reynolds Pier.

Interested parties may submit written comments no later than 2018 March 28 for the attention of:
