Dear Ambassador Black:

Re: Annual Price Adjustment Mechanism

As per the determination notice, the Annual Price Adjustment Mechanism (ANPAM) is as follows:

	Base Rate (Given by OUR)	Current (August '20)	Weight (Given by OUR)	PAM (Sum weight * % change)
CPI	99.00	105.90	0.540	0.03764
FX	130.94	150.08	0.210	0.03070
KWH	47.32	50.27	0.250	0.01559
ANPAM				8.392%

The calculation for the new rates applicable to customers' September 2020 bills is as follows:

New Rate Calculation			
Old Rate (\$)	ANPAM Adjustment (Base - August '20)	Increase (\$)	New Rate (\$)
Volumetric Rate			
\$117.31	8.392%	\$9.84	\$127.15

Reconnection Fee			
4534.17	8.392%	\$380.51	\$4,914.68
