*Regulating Utilities for the Benefit of All*

## **PUBLIC NOTICE**

# **REVISED TECHNICAL REQUIREMENTS**

### **FOR TELECOMMUNICATIONS LICENCES APPLICATION**

The Office of Utilities Regulation (OUR) has revised the Technical Requirements for applications for Telecommunications Licences, effective 2023 February 15.

The new requirements are in fulfillment of Section F of the Application Form for a Carrier or a Service Provider Licence and should be submitted as a separate document attached to the form.

The relevant application forms for the processing of new licences and renewal of licences may be downloaded from the OUR's website at [www.our.org.jm](http://www.our.org.jm) or obtained from the OUR's office. Completed application forms for new licences and renewal of expired/expiring licences should be submitted to the OUR's office. The names of companies currently licenced to provide telecommunications services are listed on the OUR's website.

For further information, clarification, or queries, please contact the OUR's Licensing Unit at [OURlicence@our.org.jm](mailto:OURlicence@our.org.jm).
