Databases for all departments

Today, more than ever, digital resources are critical to the ease and efficiency with which we conduct research. Whatever your information needs are we want to help you meet them, so we have provided a list of resources for you. There's one **for the public** as well! Of course, this list is by no means exhaustive. We await your [feedback](#) on the ways in which we can serve you better!

Are you being served? Provide [feedback](#) here.

LEGAL

- [JustisOne](#)
- [Ziplaw](#)
- [LexisNexis](#)
