Regulating Utilities for the Benefit of All

PUBLIC NOTICE
EXPIRED TELECOMMUNICATIONS LICENCES

(Issued pursuant to the Telecommunications Act)

The Office of Utilities Regulation (OUR) advises that the Telecommunications Licences issued to the entities listed in the table below expired on the dates as indicated.

All persons are hereby reminded that a valid Telecommunications Licence is required to own or operate a telecommunications facility or to provide a telecommunications service to the public in Jamaica. Failure to comply with this requirement constitutes a breach of the Telecommunications Act 2000.

The OUR will therefore be moving to take enforcement actions against any entity found operating without the requisite licence(s).
