| <div>DAY 4</div> <div>Friday May 1, 2025</div> | |
|--|---|
| | <p>If there are 20 interested participants, we would like to plan a tour of the western parishes on May 1. While the storm brought significant challenges, it also sparked a wave of creativity, resilience, and community-driven innovation that deserves to be seen, celebrated, and shared. This visit is designed to be an inspiring and uplifting experience — an opportunity to witness firsthand how communities have transformed adversity into progress. You will have the chance to explore:</p> <ul style="list-style-type: none">▪ Innovative rebuilding approaches, including climate-smart construction and resilient infrastructure.▪ Community-led recovery projects that showcase ingenuity, partnership, and the power of collective action.▪ Emerging agricultural, technological, and environmental solutions that reflect a bold new vision for sustainable development. |
| 7:00 – 9:00 a.m. | Breakfast and final photo opportunities |
| 11:00 a.m. | Check-out of the Host Hotel (If there is no tour) |
| See you next year! | |
